

BREAD BASKET TOP 40

In the KITCHEN:

- * Use 2 dividers close together to hold napkins, salt & pepper on one end, sugar bowl at the other.
- * Holds 4 mugs and a Tea Protector to hold your favorite international flavored coffee.
- * Use the lid on the Bread Basket to keep medicine out of sight of little ones.
- * With three Divided Tea Protectors you can make a wonderful salad bar, or a big variety of toppings for baked potatoes.
- * With three single tea protectors – serve 3 different appetizers or salads.
- * Put a little spice in your life -- grow your own herbs.
- * For something "homemade", put 15 pieces of Kentucky Fried Chicken in the Bread Basket, be sure to use the Protector.
- * Use to serve chips with salsa in the Small Mixing Bowl.
- * Makes a great sandwich-fixing server. * Organize spices
- * Use on the top shelf of the Small Bakers Rack to hold your African Violets.
- * Nachos, chips or pretzels, use one single tea protector or dessert cup to serve dip
- * Or, the obvious, a loaf of bread, biscuits or bagels

Moving now to the FAMILY ROOM:

- * Use as a lap snack tray with two Medium Berry Protectors and one Divider; one side for peanuts, the other side for shells.
- * On the coffee table for the TV listings and the remote controls.
- * Fits on top of magazine basket with small craft supplies, larger project underneath in the magazine basket.
- * Hold lots of paperback books
- * Display favorite photos on the coffee table, use the Divider to make 2 sections. Invites people to flip through them.
- * Hang on the wall vertically and use Divider as a shelf.
- * Holds the Nintendo collection.
- * It will also hold the videotape rewinder.
- * Games, such as cards or dominoes

What about the BATHROOM?

- * On the back of the toilet with scrubbies and bath gels.
- * Pedicure and manicure supplies.
- * Use with lid to keep feminine needs handy but out of sight.
- * Holds 3 rolls of toilet paper, and use Small Garters to decorate each roll.
- * Just the right size for brushes and combs.
- * Hotel shampoo samples for overnight guests.
- * During flu season, keep disposable paper towels in the Bread Basket and paper cups in the Chives Basket so your family doesn't share the germs.
- * Organize make-up and curling irons

OFFICE/HOBBY ROOM need help?:

- * Holds 30 computer CD's.
- * Insert curling ribbon rolls on a dowel rod and slip the end through the spoints -- no more tangled ribbon.
- * Desk organizer – New divided protector or 3 Tea Protectors and 2 Bread Dividers. Or 2 Med Berry Protectors & 1 divider,
- * Keep your 4x6 recipe or address cards organized
- * Stamping or Scrap booking supplies, quilt squares, or yarn and knitting needles

Here are some BEDROOM ideas:

- * On your husband's dresser as a tray for pocket paraphernalia.
- * Mood music -- holds 31 CD's or 10 cassettes and 16 CD's.
- * Hair ribbons, bows, head bands for girl's room.
- * Bright colored socks in kid's room look decorative even when they aren't put away.
- * In the baby's room, keep diapers and baby wipes handy.

Always ON THE GO -- take a Bread Basket in your CAR. It fits between the seats of your minivan and will hold your sunglasses, CD's or tapes, and tissues.

- * Fill with gold Hershey Kisses for a 50th anniversary celebration, or silver Kisses for 25th.
- * For family or friends, provide fixings for a cozy movie night at home -- video, graham crackers, marshmallows, chocolate bars for s'mores in the fireplace.
- * Use 3 tea liners of different colors and Protectors when serving food. Coordinate with the season, such as paprika-oatmeal-cornflower for patriotic holidays or paprika-oatmeal-ivy for Christmas.
- * Fits on top of the Magazine Basket – great combo for organizing scrapping supplies to take to crop night!
