

Beverage Tote Basket

- Place a bottle of wine in the basket and give it as housewarming or wedding gift
- Coffee flavorings fit perfectly in the basket and would make great gifts for anyone who enjoys specialty coffee
- Use with protector as a vase for fresh, seasonal flowers/plants.
- Use with a silk arrangement – create interchangeable ones for each season/holiday.
- Store one of our tall candles in glass or a Yankee candle. Please do not light the candle in basket
- Use to store knitting needles.
- Use to hold yarn for a needlework project
- Can hold a heat gun, glue gun or hammer for crafting purposes.
- Use as a trick or treat basket for the kids!
- Use as Christmas “Baskets” (stockings) to hang or place on a table with the Pewter Tie-On & the Individual’s Name
- Store long matches by the fireplace.
- Use to store your dish soap on the counter
- Holds plastic grocery bags
- Use with protector to store a bottle of olive oil or cooking oil on the countertop
- Use as a silverware tote for a picnic or gathering
- Stores kitchen utensils on the counter
- Holds rolled up napkins
- In the kitchen – hang for potholder storage or to hold plastic cups or coffee filters
- Can hold two rolls of double roll toilet tissue
- In bathroom – curling irons, shampoo and conditioner
- Hang on the bed post to hold remotes or snacks for watching TV.
- Use as a bottle holder, to store baby powder/oil in the baby’s room
- Use it to carry your baby formula when you leave the house
- Use it to take your big bottle of water to sporting events or to watch your kids at their events! Easy to carry and will keep it cold the whole game long with the coolers in it!
