

Oh No! Say it isn't so! This could be your last flyer and newsletter! I haven't heard from you in a while, I'm hoping all is well. I love sharing all the wonderful Longaberger® products with you, but don't want to clutter your mailbox if you are not interested in receiving my mailings.

Please take a moment to check off all that apply to you and return this postcard to me. If I don't hear from you, I'll assume you wish to be removed from my list. If you find you miss my newsletters, you call me at any time and I'll add you back.

Thank you for your past business - I wish you baskets of blessings!
